Cracking the Code: Applying the Right SEC Code for Every Use Case

Webinar

Wednesday, December 2, 2026 • 10:00 AM – 11:00 AM

Understanding ACH Standard Entry Class (SEC) Codes is essential for anyone involved in ACH origination or operations. This webinar will break down the most commonly used SEC Codes and explain when and why each should be used. Through practical examples, we'll explore real-world applications, from internal origination scenarios such as consumer-to-consumer transfers, loan payments, and CD interest disbursements to ...

Preparing for Tomorrow's ACH Rules: A Review of 2026 Changes and Future Revisions

Webinar

Wednesday, December 9, 2026 • 10:00 AM – 11:00 AM

The Nacha Operating Rules continue to evolve, and 2026 has been a very active year for ACH rule changes. Financial institutions must not only understand the revisions already implemented this year, but also prepare for several important changes that have been approved and are scheduled for future implementation. This webinar will provide a comprehensive update on recent and upcoming Nacha Operating Rules revisions...
